-REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

No prior art has been found to anticipate or render obvious the presently claimed subject matter.

Specifically, none of the prior art of record discloses the combination of the limitations presented including the structural features being utilized for regulation of the proper contact of the contact sheet's bumps with the terminal group of a semiconductor device:

the movement-amount controlling member provided as a part of the contact sheet on its top (claim 1);

the contact sheet pressing member engaging the top of the contact sheet (claims 2, 18)
the sinking-amount adjustment section formed opposite to the bump group of the contact sheet (claim 5)

the movement -amount restricting member provided as a part of the contact sheet on its top (claim 9);

the contact sheet pressing member formed integral with the pressing member (claim 17);

the movement -amount restricting member being a dummy bump being provided as a part of the contact sheet on its top (claim 19);

the movement -amount restricting member being disposed on the top of the contact sheet and communicating with the device or the pressing member (claim 20)

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander D. Gilman whose telephone number is 571 272-2004. The examiner can normally be reached on Monday-Friday, 10:30 a.m. - 8:00 p.m.
